ALWAYS TIMELY
No one's going to beat the time of this Thunderbird which arrived in town last night for a two-day showing at Lawson's Jewelers, 1317 El Prado, to ballyhoo Gruen's new Super-G line of watches. Prettiest feature of the specially rigged Thunderbird will be Gaye Wilson, Miss Torrance, the belle in the timeliest bathing suit in the world with its \$12,500 worth of gold watches.

Defend Titles

Bob and Marilyn Bogacki will defend their Torrance city "yo-yo" titles Thursday, February 21, at Walteria Park as representatives from Sepulveda playground.

Couple Wins Dryer At Gas Company

Mr. and Mrs. R. L. Hertzog, 16834 Thornburgh ave., were the luckiest among the more than 2600 people who turned out last week to view the remodeled and modernized Southern California Gas co., 1340 Post ave. They were selected as the winners of a new automatic gas clothes dryer by Mayor Albert Isen. The selection was the highlight of festivities officially

opening the office following its renovation. Gas Company Division Manager Carl W. Shupp started the open house celebration Thursday. The office was opened Thursday and Friday for the public to get its first look at the extensive modernization and improvements. It has been undergoing a complete renovation for more than two months. The facade was dramatically altered, a new customer counter was installed, the interior was completely redecorated. New flooring and sound-proof ceiling were major facets of the interior remodeling.

- 1 SAVES TIME, DRIES FASTEST!** When you have a Gas clothes dryer, you can launder any time—day or night, rain or shine. You're through fast, too. Gas dries clothes in less time than it takes to wash them—blankets in about an hour.
- 2 SAVES WORK, SAVES STEPS!** Drying laundry in an automatic Gas clothes dryer is as easy as tossing clothes in a hamper. You don't lug heavy baskets. You don't stoop and stretch. You don't walk miles. And you have nicer laundry.
- 3 SAVES MONEY ON CLEANING!** You can do shag rugs, chenille spreads, etc., in a Gas clothes dryer as professionally as sending them out. Many mothers have also found that a Gas clothes dryer costs less than diaper service.
- 4 SPEEDS, CUTS DOWN IRONING!** Dial "damp-dry" and clothes come out of a Gas dryer perfectly moist for ironing. Even starched pieces iron like magic. Sheets dry so wrinkle-free they need no ironing at all—just fold and store.
- 5 COSTS LESS TO BUY AND USE!** Gas clothes dryer prices start at \$169.95, and normal installation is FREE for limited time. Operating cost is one-fourth that of other type dryers. See a demonstration at your dealer's and BUY NOW!
